

Dimensional

a sub fund of Dimensional Funds ICVC. This Fund is managed by Dimensional Fund Advisors Ltd.

The aim is to increase the value of your investment and to earn income within the Fund.

The Fund primarily invests in shares of companies which are established in developed countries or which derive a majority their revenue from developed countries (excluding the United Kingdom), as well as depositary receipts of these companies (financial certificates representing the shares of these companies and which are bought and sold globally). The Fund invests using a value strategy, meaning it invests in shares of companies where, at the time of purchase, the Investment Manager believes that the share price is low compared to the accounting value of the company.

You may sell your investment in the Fund on demand on a daily basis.

The Fund may invest up to 10% of its assets in other underlying funds. The Fund's performance, costs and risks will be affected by the underlying funds. There can be no assurance that an underlying fund will achieve its investment objective. The assets in which the Fund invests may be denominated in or have exposure to a currency other than the currency of the shares in the Fund or of the country in which you live. Additionally, the currency of the shares you hold may be denominated in a currency different to the base currency of the Fund. The Fund

More information in relation to risks in general may be found in the "Risk Factors" section of the prospectus.

Charges

The charges you pay are used to pay the costs of running the Fund, including the costs of marketing and distributing it. These charges reduce the potential growth of your investment.

One-off charges taken before or after you invest	
Entry charge	None
Exit charge	None
This is the maximum that might be taken out of your money before it is invested (entry charge) and before the proceeds of your investment are paid out (exit charge).	
Charges taken from the Fund over a year	
Ongoing charges	0.39%
Charges taken from the Fund under certain specific conditions	
Performance fee	None
The entry and exit charges shown are maximum figures. In some cases you might pay less, you can find this out from your financial adviser or distributor. The ongoing charges figure shown here is an annualised estimate of the charges as there has been a reasonably significant difference to the last reported ongoing charges figure. The Fund's annual report for each financial year will include detail on the exact charges made. It excludes portfolio transaction costs and performance fees, if any. More detailed charges information may be found in the "Fees and Expenses" section of the prospectus. No conversion fee will be charged by the Fund or the investment manager.	

Past Performance

Please be aware that past performance is not a reliable indicator of future results.

The fees for the ongoing Fund charges are included in the calculation of past performance. The entry/exit fees are excluded from the calculation of past performance.

The Fund was launched in 2004 and the share class was launched in 2004.

Past performance has been calculated in GBP.
